Advanced Practitioner Trainings

Practitioner Level 2 Training

Bonsai Design is pleased to be taking reservations for a Level 2 Practitioner Certification Training being held March 9 – 11*, 2019 at West Virginia University. The course will focus on skills for professionals that work on canopy tours, zip lines and challenge course/aerial adventure parks. Join us at WVU’s fabulous facility and become certified to take your industry skills to the next level. Deadline to register is March 1 so register now as space is limited!

* Certification is valid for 3 years

Objectives

• Cover technical, facilitation, and emergency procedures content necessary for advanced operation of the activity
• Provide theoretical and practical instruction to support scenario-based facilitation and technical rescue practice
• Create advanced competencies that will complement a leadership position

Prerequisites

• Must have Level 1 Practitioner Certification and/or be otherwise qualified
• Must be qualified to work at-height
• Must have a minimum of 200 hours of documented facilitation

Cost

• $1,000

Discounts

• 20% discount = Challenge In (only attend Day 3)
• 30% discount = WVU alumni & staff
• 40% discount = Full-time students

Schedule

• March 9, 10, 11 (completed at 5:00pm on 3/11)
• Housing/meals will be the responsibility of the trainee - discounted on-site housing at WVU

Sign Up

Portfolio and copy of certifications must be submitted by March 1, 2019 for pre-registration approval.
